June comments:

Food waste Bins Not !

One medium sized street in Cathays did not have the food waste picked up for 20 days – so there were pressures on the residents/families, the students/postgrads and the professionals all living on this street.

Please report missed collections immediately to C2C on 029 2087 2087.

The waste collection teams are under serious pressure to get 5 days waste collections done in the now 4 days system of waste collection – it is a lot of ground to cover in less time.

Thank you to those of you who go out and help with the cleans up's of your own streets – it helps reduce pressure on the council teams!!

All newbuilds in Cardiff to be Carbon Neutral:

This is some progress, yet these sort of guidelines should have been made mandated nationally in the 2000's….. better late than never….. Link: ***https://nation.cymru/news/builders-to-be-told-all-new-developments-in-cardiff-must-be-carbon-neutral/***

Friends of Rhigos Garden – looking for volunteers!

Paul is still looking for volunteers who may wish to get involved with looking after Rhigos Gardens. If anyone wishes to partake in this please do get in touch with him on ***p_r_white@hotmail.com***

Work parties back on – Friends of Cathays Cemetery!

Please do get involved with our outdoor monthly work parties as we carefully recommence our work around the amazing historical Cathays Cemetery.

Please do join our mailing list - ***cathayscemetery@gmail.com***

Looking for volunteers for Community projects!

We wish to begin building some more planting boxes out of 100% re-used materials (wood, sieved soil etc) and contributions of wildflowers from various gardening enthusiasts in Cathays. Would you be willing to give up a few hours to do some physical graft to get this planting box built?

Example of local our families/community/volunteers previous work: ***https://www.davius.org.uk/biodiversity-cathays-catherine-street-planting-boxes/*** this is a family/community project and will not be politicised in any shape or form.

2 more babies born – 1 retired couple moved into area!

Really wonderful news, two our young couple of neighbours have brought new life into Cathays – will not say which street/where – yet we wish our new mum's & dad's the best with this amazing new adventure.

Conversely at the other end of the age spectrum, ex-residents have moved back into the area on Rhymney Street and are rekindling their local links!

I know some people want to move now due to pressure of noise, parking, litter etc – yet I am BEGGING you to reconsider. So much positive change could come of Cathays in the 2020's based on the hard work of 100's of you in the 2010's rebuilding this community!

Companion Cardiff

Loneliness can have a serious effect on a person's health and well-being.
Elderly people that live alone and cannot see their family and friends regularly just want some company and conversation

I offer a wide range of help whether it be a shopping trip or general clean around the house.
Maybe you need help getting to hospital or a doctors appointment.....

Play a part in shaping the city you love

Cardiff Council is in the process of reviewing its Local Development Plan (LDP). The decisions the council takes will shape our city for the foreseeable future.

If we, the citizens, want Cardiff to remain a liveable city, with a distinctive and vibrant character, then the time to act is NOW.

Join Cardiff Civic Society on Tuesday 8th June for a Zoom meeting about the LDP, and find out what it means for Cardiff - and how you can have your say.

Please do consider joining Cardiff Civic Society – we all have duty to protect the built historical heritage and green spaces of this beautiful city of Cardiff.

July 2021 – Cathays Monthly Update – please get your posters/invites in!

Okay – businesses, faith groups, volunteer bodies, independent businesses etc – please get your posters in!!

What can you do in Cathays to help the cohesion of your community?

Summer is here !!!!!

Please keep watering the green spaces near your homes

You'd not think it with all the seasons in just one day – yet with rain, bright sunshine and then hailstorms all in one day has been a challenge for many people working outside in April and May.

Let just hope June, July & August give us a pleasant summer season!!

Be safe Cathays !!

Regards,

Paulus
