January 2024 – Cathays Monthly Update 22

December 2023 comments:

80th monthly update

Thank you to the many who have contributed their posters, events, invites etc. As this is the 80th monthly community update – we've achieved a lot as community due to 100's of families, schools, business, faith groups, and volunteers efforts!!

I ponder where Cathays will be at the 100th email update, or the 125th months community update etc. Hopefully in better times for everyone – to what the majority of us have experienced in 2020-2023 !!

If we all work together, support the local businesses, faith groups, local ventures etc – we will always have strength in Cathays!

Scaffolding at St Monica's CIW, Gladstone and Cathays Library

In early summer I spoke to both out primary schools about the scaffolding and the impact it has had upon the pupils, staff and parents over the last 5 years!

Please give massive praise to the school leaders. It was Mrs Abi Cuthbert who went directly to the Senedd (supported with a pupil's letter writing campaign) which got the work recommenced on completing the building works – as this year comes to an end; some of the scaffolding is finally coming down.

When I spoke to our other school leader Mrs Shipton-Jones (which one of our local mum's Ruth was also present for the meeting) they spoke about the problems relating to the scaffolding – such as supply teachers no being able to find parking in Cathays; so just turned around and went home; to name a few problems both schools faced!

The mental/work challenges our school staff at both primary schools and the impact on the pupils and parents has not been a positive experience – coming into a building on a daily basis surrounded with cladding.

Massive praise to both St Monica's CIW and Gladstone Junior to the staff, pupils and parents for their resilience getting through this challenging experience!

Tea & Cake – Tuesday, 5th December

Join us on the first Tuesday of the month / exhibition in our beautiful gallery for a friendly chat over a hot cuppa and some cake. We will be open between ***11am-1pm*** with staff on hand to greet you and tell you more about the exhibitions on show.

5th anniversary – Cathays Beer House

Yes Cathays Beer House has been going for 5 years now! Local residents Martin & Diane have won awards, created an amazing niche establishment – always an amazing atmosphere to what has become a very popular venue which regulars come near and far to enjoy Cathays Beer House's vast selection of craft ales, ciders etc. Congratulations Diane and Marting!

…. And for Christmas 2023 Cathays Beer House will be serving some festive craft bottles too – check them out!

Cathays Sports & Social November Poppy Appeal !!

Well done to manager Mark, Committee lead John, Deputy Josh and everyone else for raising £112 for the Poppy Appeal at November's Remembrance Service.

Jeff (long term resident and Gulf War veteran) laid a wreath and saluted whilst everyone (solid 40 people in attendance) paid their respects in silence. The rest of the evening was a celebration of live music, bingo and stories of old. Congratulations everyone involved!

Cathays needs plumbers!

Neighbours – please can you recommend a local plumber!?! We've had a quite a few enquiries from a dozen residents, businesses (2 salons and 1 coffee shop) asking about recommending a decent local plumber!

Of our local 40 tradespeople who are residents – 3 of the builders dumped their plumbers due to disagreements about the services (or not enough) and are also on the lookout for a reliable and professional plumber!

Any ideas/recommendations Cathays?

Drug House Raided …..

As November began, nos 45 Cranbrook Street was raided by the Police. The property owner/landlord does not appear to be affiliated to any Letting Agency.

If this was not down to the residents (and students) reporting their concerns, these drug raids would never happen across Cathays over the last few decades.

The Cathays community has become a very powerful reporting social mechanism and the 100's of concerned citizens should be praised for keeping up the reporting of problems on every street !!

Merry Christmas everyone!

Things have been tough for everyone, yet so many residents in Cathays have pulled together, sacrificed, and helped others out on many levels.

You all make us stronger now – which we need now more than ever! ***Happy Christmas everyone!***

Cathays Compass – an update:

This update is long overdue with so many people been asking about the Cathays Fairs and Cathays Christmas Lights!

Thanks to our Chairperson!

The level of preparation to get multiple Cathays initiatives off the ground via partnership of Cathays residents, Cathays businesses, Cathays Faith groups and most importantly both our Primary Schools and Cathays Library (as venues/hosts for many of our events!) has been significant and it shows what an amazing place Cathays is in current times!

In 2023 our excellent chair Mrs Anne Smith chose to step down from Cathays Compass. We wish to offer massive praise and thanks for chairing all the meetings in 2016 to 2021 (we did the 2021-present via video call or small group meetings) and being one of the main drivers to deliver the events our community have put on in the late 2010's. Thank you Anne for being such a strong proponent and helping deliver these events !!

Project spun out or supported by Cathays Compass:

Some very treasured neighbours have been pivotal in getting approximately 2 dozen projects (of all different sizes and outreach) since 2019. Obviously with lockdown this brought many things to a horrible grinding halt; yet as 2021 opened up – many discussions on all these projects our residents, schools, faith groups etc wish to pursue shows there is some real potential for collaboration and helping our community thrive!

Over the last 3 years, a lot of meetings have occurred (some have been very frustrating as so much H&S, protocol, admin etc has had to be undertaken) yet it has been a beacon of hope of how much many of you want to get these Cathays initiatives off the ground! More will be explained in future updates as we are finally able to get these local projects off the ground. Massive praise for a significant amount of patience with all people involved.

2024 in Cathays

With our two primary schools pushing to get the work completed on the schools, hopefully all the scaffolding will be removed in the first quarter of 2024, which we hope will allow for the next Cathays Fair, or at the least Cathays Christmas Carols/Tree for December 2024.

Many businesses, the families/residents etc have enquired about the Cathays Fair – we fully intend on making this Cathays staple an annual event again! Yet for now we wish you all a ***Happy Christmas 2023 to all !!***

Cathays – together as a community!

"You don't have to be Lassie to work that out ...."

…is the oft used phrase in our family when something is so obvious that it doesn't need any cleverness to see it.

This phrase came to mind when we discovered that, earlier in the summer, Cardiff Council had finally admitted to the Charity Commission that it was conflicted over its plans to build a new high school on Maindy Park while simultaneously being legally required to uphold and protect the covenant on the land which is to *preserve it for all residents for recreation and leisure-time use for ever!*

Considering that no "Lassie" skills were needed, it was astonishing that the Council had spent well over 2 years denying it was conflicted and that it would be lawful for it to make the decision itself, and please would the community accept it was a "done deal" and stop going on about it. *We [the community] didn't accept it and we certainly wouldn't shut up.*

After a considerable wait and much chasing up, the Council's Application to the Charity Commission for permission to do a land swap with public parkland at Cae Delyn was eventually released to us under an FoI (Freedom of Information) request.

It made for incredible reading: exactly as we had told Council Leader, Cllr Huw Thomas, and his Cabinet (several of whom are Cathays councillors) was the position, a senior barrister experienced in charity law was paid a lot of money from the public purse to confirm that:

"There is clearly a conflict of interest as the Council is acting as both Trustee and the local authority … the Council, the Cabinet and every Councillor, Committee, or Sub-committee formed of Councillors is conflicted. The role of an individual Councillor is to serve 'the interests of the Council, Cardiff, its citizens and those to whom the Council owes a duty'. There is therefore no independent Councillor who can make a wholly unconflicted decision regarding the proposed land exchange."

So, the Council had finally to accept that its inability to accept and manage the conflict of interest had caused delays of over 2 years to providing upgraded facilities for the school. The Council said they would follow statutory guidance… and then proceeded to ignore it, instead getting the same conflicted Councillors, Officers and Committees to try to concoct something to circumvent the conflict.

More than 8 months after the Council 'decision' to seek a land swap, the Charity Commission and Audit Wales are still working on the many issues arising from this entirely avoidable and very expensive mess created by the Council.

There are many thresholds for the land swap application to pass, the last of which is a simple question: is it actually in the best interests of the charity and its beneficiaries for the covenant to be overridden and to lose nearly 7 acres of

publicly accessible open green space in Cathays for a slightly bigger piece of land that is already publicly accessible open green space over 2 miles away on the outskirts of Cardiff?

It has also emerged that if the velodrome is bulldozed, then the clock will probably start ticking on the leisure centre. Over 2½ years ago, Cllr Thomas and Cabinet members (which includes several Cathays councillors) were told that "The proposed removal of the Velodrome would place the Maindy Leisure Centre into an operating deficit position." As the community at Pentwyn is discovering to their horror and detriment, the Council is preparing to slash facilities and services at Pentwyn leisure centre because it operates at a deficit.

Cathays and the wider community are determined to keep Maindy Park for the purpose that it was gifted to the people of Cardiff, to save the velodrome and so safeguard the leisure centre.

An Association has been formed – it is free to join – for everyone who shares that vision.

Press Release: Marking the Retirement of Brothers Constantinou Hairdressing Training Academy

Brothers Constantinou Training Academy Bids Farewell to Decades of Inspiring Creative Minds in the Hair Industry

Brothers Constantinou Training Academy, an established and reputable name in the world of hairdressing education, announces with a heavy heart the closure of its beloved training school. For decades, the academy has played a pivotal role in inspiring and nurturing young, creative minds, guiding them to carve successful paths in the hair industry.

“It is with heavy heart that we say goodbye to our beloved training school, Brothers Constantinou Training Academy. We loved watching the trainees grow and become senior creatives themselves.” says Simon Constantinou, founder of Brothers Constantinou Training Academy.

Simon Constantinou acknowledges the immense support and loyalty received over the years, stating, "It has been an incredible journey, and we are immensely grateful for the opportunity to contribute to the ever-evolving hairdressing community. The decision to close the academy was not taken lightly, but we believe it is the right time for this chapter to come to an end." The training academy has worked with several salons across Cardiff and the Vale since the late 1980s. Over the past few years, Simon has taken a step back from training and had several of the team wishing to retire this year. Additionally, following a challenging time with the pandemic and dwindling numbers coming forward as work-based Apprentices, it seemed the appropriate time to take this step.

“A huge thank you to our amazing team who have shared our passion for all aspects of hairdressing and nurtured the young trainees. And thank you for all the salon owners’ support, trust and loyalty over that time.” says Simon Constantinou, founder of Brothers Constantinou Training Academy

Simon Constantinou invites everyone to stay connected for potential future
